## **5. Annual Reports**

### **a. President**

IK outlined that the AGM was postponed due to Covid-19. Manly Touch sought an extension, which was granted by the Department of Fair Trading.

IK noted another successful year, 2019-20 NSWTA Affiliate of the Year, and subsequently the 2020-21 Affiliate of the Year which is now 6 years in a row – great recognition for our members.

IK acknowledged Elizabeth Forrest and Mel Scranage who both stepped down after 3 years on the Executive Committee. It was noted that they aren't here tonight, but IK wanted to thank them for their contribution. Mel Vayro, who was our Senior Rep Director, has stepped down and moved to QLD and was acknowledged for a fantastic job.

IK thanked GK and SP for acting as interim Executive Committee Members, and Kerrie Doyle and Lynda Robertson who are now our Senior Rep Directors and are flat out doing great job.

IK highlighted 377 teams in our junior competition and acknowledged a number of challenges in delivering it – having hubs, Covid-19 Marshalls, increased breaks between games, and 500 person limits. He thanked GK, LL, CF, JZ, CL, KP and others for a fantastic achievement. IK also highlighted 89 teams up from 69 teams in our Senior Summer competition which bucks trends for adult participation rates.

IK noted our representative pathways and a successful year, especially with Vawdon Cup having 3 teams as champions and 4 teams as grand finalists. Also noted success at Senior State Cup and congratulated CB in his role of Head Coach of the Womens Team. Acknowledged that it is tough to win Vawdon Cup and Senior State Cup and congratulated CB and his team.

IK acknowledged and thanked all of our Manly Touch partners:

- Principal Partner: Harbord Diggers
- Gold Partner: Cunningham's Real Estate
- Silver Partner: Kinetic Sport Science
- Partner: Citywide Home Loans
- Partner: Guzman y Gomez Manly, Dee Why & Frenchs Forest
- Partner: Aussie Gems
- Partner: Allambie, Collaroy & Elanora Sports Physiotherapy

IK thanked KP for her work behind the scenes delivering our fantastic new website. Also acknowledged that our social media interactions have increased on Facebook and Instagram, and thanked LL for great posts.

IK noted exciting news with the Christian Brothers club house. Acknowledged 7 years trying to get on the lease and that we are there now. IK thanked GK for his hard work, John Fox from Christian Brothers, and the Northern Beaches Council. Noted that we now have an office and storage, and that we will go forward to get grants and redevelop the clubhouse in the new year.

IK noted we received money from the State Government to purchase a buggy. The buggy is currently in Bowral due to restrictions. Also noted at the start of the year we had a grant to improve the canteen which was completed during the period. IK noted that the southern facility is now available for use, and we were able to use it during our junior competition.

IK expressed his thanks to all the Committee, all players, coaches, and referees, for their support during this period. Also personally thanked his family and friends for their support and for being a pillar of strength during difficult times.

IK acknowledged that other reports are available in the Annual Report.

### **b. Senior Rep Director**

No further update.

### **c. Junior Rep Director**

CL acknowledged that Covid-19 was topical for Junior State Cup and the junior campaign. CL thanked IK, Brad Hazzard, and local members of Council, and NSWTA for support through a tumultuous time.

CL noted that on 11 November 2020 we released a Junior State Cup discussion document to educate and inform members of changes. CL thanked members for their flexibility through difficult and changing times. Acknowledged that our junior campaign focuses on families and kids so that they enjoy the game. Noted a few false starts with changing regulations and how we welcomed feedback as we went through the period.

CL acknowledged other Touch clubs for their support via inter-club games and those that hosted gala day opportunities. It was noted that the Northern Conference was rained out, which was a shame, and acknowledged the work going into planning the next Junior State Cup Northern and Southern Conferences.

CL thanked the volunteers, admin, and the Executive, including the family members who help us administer and make selections, trials, and registrations happen. It wouldn't be possible without around 50 volunteers and CL thanked them on behalf of the club.

**d. Referee Director** CF noted that our numbers in the local competition have increased, and we are able to cover most of the games. Noted periods where representative or school activities impact on numbers. CF explained we are still struggling with representative referees but that we are slowly increasing our numbers and highlighted that we send 100% Manly referees to tournaments.

CF acknowledged that there is more room to go but we aren't alone in that. We want to create a community where we can get people who want to referee only, not play and referee.

CF highlighted that we ran a successful referee's course and that we have a few Level 3 referees in the club now, with more coming through the ranks.

**e. Community Engagement Director**

No further update.

**f. Senior Local Competition**

No further update.

**g. Junior Local Competition**

No further update.

Consideration and adoption of the Annual Report

Resolved to accept the 46th Annual Report for 2020/21 as presented at the AGM

Moved: Graham Knights, Seconded: Peter Wandl

Carried

**6. Financial Statements****a. Treasurer's Report**

IK noted a net surplus of \$1,070 and explained this was appropriate for local community-based sporting association. Also noted cash increased which we will use to give back to members with things like capital projects.

IK acknowledged that we are lucky to be able to get our competition running this Summer. It would've put a lot of financial pressure on the club if we couldn't get junior and senior competitions up and running.

Consideration and adoption of the audited financial statements for 2020/21

Resolved to accept the audited financial statements for 2020/21

Moved: Ron Holden, Seconded: Kate Perrett

**7. Election of Officers**

IK announced that SG has resigned from his position on the Executive Committee to seek a position on the TFA board. He wished SG all the best and thanked SG for his tireless and ongoing efforts over a long period of time. Noted SG's time as Junior Rep Director from 2014 - 2018, where we won Junior State Cup Club Champions every year, and as Vice President since 2017 - Vice President. IK thanked SG for supporting many changes and increased growth and acknowledged that we wouldn't be where we are

today without his assistance. IK also thanked SG's wife Michelle for her support and contribution.

IK presented Stu with a gift.

SG explained his involvement started with MS and CB playing and coaching kids, then was asked to be involved in the Executive Committee. SG thanked everyone who has been involved over the years and his wife Michelle.

IK noted that there are 4 positions available – 2 x Vice Presidents, Treasurer and Secretary.

**a. Vice President 1 (2-year appointment)**

One nomination – Graham Knights

**b. Vice President 1 (2-year appointment)**

One nomination – Kate Perrett

**c. Treasurer (2-year appointment)**

No nominations

**d. Secretary (1-year appointment)**

One nomination – Sarah Peattie

IK congratulated KP, GK and SP on their appointments to the Executive Committee.

**8. Appointment of Life Membership**

None

**9. Special Resolutions**

None

**10. Notice of Motions**

None

## **11. Appointment of Auditor**

IK advised that the Executive Committee has recommended Jack McCann who has been the auditor for the last 3 years.

Proposed resolution that Auditor Jack McCann of McCann Accounting be appointed as Auditor for the next reporting period.

Moved: Graham Knights, Seconded: Stu Geros

Carried

## **12. Other General Business**

DR apologised for being late and congratulated Manly Touch on another successful year. He congratulated IK and the Committee and commended the leadership the club is showing, especially under the duress of the last 12 months with Covid-19. Highlighted the outstanding job the club was doing at a park level.

DR also congratulated the club on our success at a representative level and offered to take questions.

IK thanked DR for his kind words and for attending and wished him luck with the upcoming Senior State Cup.

## **13. Close of Meeting**

IK thanked everyone for attending in person and online.

IK wished good luck to our Senior State Cup and Junior State Cup teams.

IK noted that our junior competition kicks off next Thursday.

Meeting closed at 7.30pm.

\*Deceased

On behalf of Manly Warringah Touch Association Incorporated (MWTa / Manly Touch) it is my pleasure to present our 47th Annual Report which is an overview of the activities conducted by the organisation for the 2021/22 period.

Like the previous period, 2021/22 was one we have never seen before. We were still plagued by the challenges of Covid-19 and associated lockdown which caused the cancellation of our 2021 Senior Winter Competition and the 2021 Vawdon Cup, and when we finally emerged from this, we were subjected to unprecedented weather events which lead to the cancellation of the two other major representative events for the year, Senior State Cup and Junior State Cup, and caused disruption to our local competitions.

Despite the challenges of Covid-19 and the wet weather it was once again another highly successful year for Manly Touch. We were able to overcome several hurdles to deliver our touch football competitions for the local community in an extremely successful manner and maintained our participation rates at grass roots level for both junior and senior players.

During the period Manly Touch were once again announced the NSW Touch Association (NSWTA) Affiliate of the Year for 2020/21 which is great recognition for the whole club and our members. This is the seventh year in a row we have won this award which is a phenomenal achievement.

I would therefore like to express my sincere thanks and appreciation to all members of our Manly Touch family who have pulled together during these most difficult of times. At the time of writing this report we seemed to have seen the back of Covid-19 and it looks like our current local summer season will be able to make a start.

Manly Touch has a very strong purpose to inspire and create an environment for anyone and everyone to enjoy the game of touch football and we can all take pride in what Manly Touch has achieved collectively over this tumultuous period.

At Manly Touch we believe that it is important that touch football play a small role in providing a way for individuals, families, and the wider community to interact on a social level and provide a physical and competitive outlet which is important amongst many of our members.

## **Governance**

Firstly, I would like to start by recognising and acknowledging my Manly Touch Executive Committee colleagues, Kate Perrett, Sarah Peattie, and Graham Knights, plus our Administration Manager, Lara Long. Thank you for your hard work, dedication, commitment, and sacrifice for Manly Touch.

I would also like to thank members of the Management Committee including Craig Lowe, Kerrie Doyle, Lynda Robertson, Caren Friend, Brandon McDonald, Mania Marsters, Christian Browne for their contributions and our Ground Managers Peter Casey, Jill Zochling, Sabrina Zochling and Hanna Clare who are at the forefront of the delivery of our competitions on game day.

Unfortunately, at the last AGM, Stuart Geros stepped down from his role on the Manly Touch Executive. I would like to thank Stuart for his valuable contribution over the years. Stuart was our Junior Representative Director from 2014-2018 and an Executive Committee Member from 2017 to 2021, holding down these two very important and time-consuming positions of the club at the one time Stu will be truly missed by everyone on the Executive. During Stu's tenure we have seen enormous growth in our club, and one of the most significant measures was the introduction of Development teams for Junior State Cup, which has created a pathway for our talented athletes. Interesting fact - we were JSC Club Champions every year Stu was our Junior Rep Director.

However, in good news, we have not lost Stu entirely from Manly Touch as he has remained on our Management Committee. Stu was also elected to the Touch Football Australia Board at their AGM. We would like to congratulate Stu on his appointment and wish him well working alongside the rest of the TFA Board and leading our sport into the future.

At the time of writing this report the Executive Committee has appointed Paul MacPherson as an interim Executive Committee member until the Annual General Meeting.

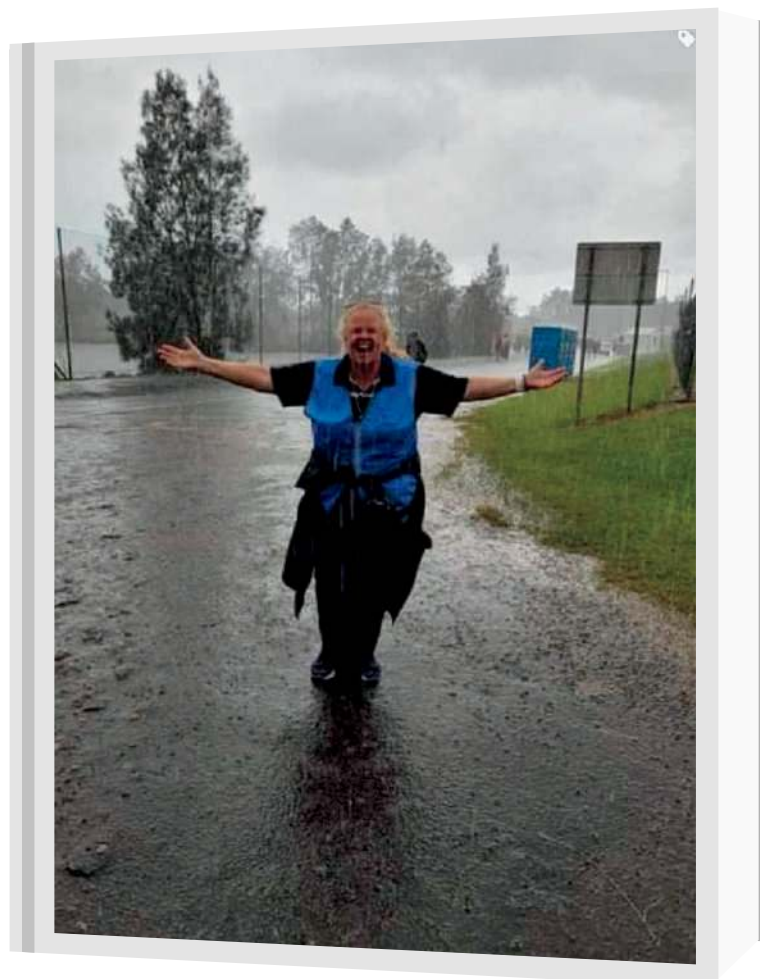

Also I have been informed that Caren Friend, Mania Marsters and Christian Browne will be standing down from their positions on the Management Committee. We would not have been able to achieve the success this club has experienced in recent years without their valuable contributions.

It would be remiss of me not to acknowledge the significant contribution of Caren Friend to Manly Touch. She has been our Referee Director for the past 15 years while holding down an incredibly important role in her professional life. Her contributions to our broader community during the Covid-19 pandemic should not be overlooked.

Caren has provided significant guidance and mentorship to our Manly Touch referees, and we should be forever grateful for this.

Over the years Manly Touch have often struggled to provide enough referees for Senior and Junior State Cups, however through Caren's vast network she has been able to conjure up miracles for us to satisfy our NSWTA referee requirements. If it was not for Caren's tireless efforts, we would not have been able to send all of the representative teams we have wanted to over the years.

I personally would like to thank Caren; we have always had a fantastic relationship and very grateful for your counsel and guidance over the years.

As an Executive Committee we continue to review and refine all policies and procedures including our Covid-19 Safety Plans, Competition By-Laws, and Player Code of Conduct Forms.

Manly Touch is compliant with all NSW Department of Fair Trading and NWSA affiliate regulations, ensuring best practice in governance and our operations.

Moving forward it is important that we continue to seek out new individuals to join either of these committees. The existing Executive Committee is going well and truly above what is normally expected of them in terms of volunteer hours and is not sustainable in the long term.

## **Finances**

Manly Touch returned a surplus of \$21,626 for the 2021/22 financial period. This is a great result for the Club and appropriate for a local community-based sporting association and a Not-for-Profit Organisation.

However, due to the cancellations of Vawdon Cup, Senior State Cup and Junior State Cup there have been several expenses which were incurred but were unrecoverable.

The biggest single and most significant financial initiative that we undertook in the period is how we treated and cared for our members following the cancellation of the Senior and Junior State Cups. It should not be overlooked and is a measure of the enormous success of the club, that on the back of both the Junior State Cup and Senior State Cup cancellations, many of our members were left out of pocket because they were unable to receive full refunds from the various accommodation providers.

Manly Touch approached this in two ways, firstly, we ensured no member was left out of pocket and paid for any financial loss incurred. Secondly, Manly Touch also recognised that our accommodation partners were now out of pocket so Manly Touch made a financial contribution to these accommodation providers to assist with their situation.

As part of both the Senior and Junior State Cup cancellations, Manly Touch had received all player levies for these events to cover for referees, uniforms, ground hire, etc. however these player levies were 100% refunded to all members.

Given the late notice of the Junior State Cup cancellation, Manly Touch took the extraordinary step and paid for all referees to ensure they were not out of pocket because many of them had given up their own part time/casual work on the weekend to make themselves available to referee at JSC.

In total, this amounted to more than a \$30,000 contribution to our Manly Touch representative members which had an impact on our bottom line.

However, on a positive note, our cash position has remained in line with previous years. This will enable us to uphold our commitment to give back to our members via investment in a number of programs, initiatives and capital expenditures that benefits all MWTA members in future years, such as field speakers across Nolan and Passmore Reserve and a new scoreboard for Passmore Reserve.

## Participation and Local Competitions

The 2021 Winter Competition which normally starts in April kicked off in July with a record 59 teams participating (this was a 50% increase from the previous year), which is a great result given the uncertainty around Covid-19. It showed us that our members were keener more than ever to get back on the field. We managed to get 9 nine rounds completed but unfortunately in response to the Delta outbreak, the NSW Government imposed a lockdown in Greater Sydney until October 2021, therefore Manly Touch made the difficult decision to cancel the remainder of the winter touch football competition given there was no NSW Government sanctioned roadmap out of lockdown for Community sport. This was extremely disappointing as we thought we were past Covid-19.

We then turned our attention to our summer competitions. Our 2021/22 Senior Summer competition finally kicked off post lockdown in November to the great relief of members and given the uncertainty around Covid-19 it was pleasing to see 68 teams had signed up to play. This was an excellent result as adult participation rates have continued to decline across all sports and is an industry wide trend, however Manly Touch has bucked the trend and remained steady.

Despite the delayed start because of Covid-19, our 2021/22 Junior Summer Competition was once again at capacity. This year we decided to hold individual age registrations on different nights. When the registration portal was open at 7:00pm whole divisions filled up in literally seconds. To give perspective, we had just under 280 teams register online in under 12 minutes combined across the 5 registration nights. We also had just under 120 teams complete the waitlist. In the end a total of 362 junior teams entered our competition. Because of the enormous success of our competition, we moved our Under 7s and Under 9s competitions to a Thursday night to accommodate all our teams. This was challenging given the popularity of summer soccer on the Northern Beaches, which is predominantly played on a Thursday afternoon, however we found that nearly all teams decided to stick with touch football.

The overall highlight was just seeing all the kids back on the touch football field again enjoying our great game, it was a huge relief to Manly Touch and the broader community.

But then, just when we were thinking things were returning to normal, the back end of our competitions was subject to some of the worst flooding ever seen in the local Manly Warringah area. Our local clubhouse, storerooms and canteen was inundated with about one metre of floodwater causing loss of stock, plus enormous damage to the fields at Nolan Reserve and Passmore Reserve.

In the end we were required to play the grand finals for our Senior and Junior Summer Competitions at alternative grounds around the Northern Beaches. Manly Touch would like to take this opportunity to thank Northern Beaches Council for providing us with grounds to complete our competitions.

During the reporting period Manly Touch was finally able to utilise the MySideline (MSL) System to manage our competitions. Given the size of our junior competition, MSL was a vital component in the management of our competitions, creating the competitions, draws, field allocations, ladders, receiving payments etc. Previously Manly Touch has used an alternate competition management system however by working closely with TFA and NSWTA we have been able to work through the well documented issues plaguing MSL and we are now comfortable with this as a competition management tool.

I would like to thank everyone involved especially in the delivery of our Junior Summer Competition including our Ground Managers, Referee Coordinator, Covid-19 Safety Marshals, Referees and other Committee members and volunteers who put their hand up to assist every week. With 20 junior competition games running concurrently for the first 5 time slots it is like running a 'State Cup' every Friday night, and we required many hands and a huge network of referees to make this happen. I think everyone who participated would attest that the 2021/22 Competitions were an outstanding success all things considered.

## **Representative Program**

Manly Touch continues to be supportive of our representative program and pathways.

It is significant that Manly Touch provided 42 players at the 2021 State of Origin Series held in Coffs Harbour. This represents about 18% of all selected players for NSW being Manly Touch members. Congratulations to our players and coaches on your selection, in particular congratulations to Sarah Peattie who was named as NSW captain for the 2021 State of Origin Series.

The 2021 Vawdon Cup was first up on the representative scene. Manly Touch entered 10 teams with approximately 180 players signed up, however this competition was cancelled due to Covid-19 lockdowns.

Manly Touch entered fifteen teams into the 2021 Senior State Cup i.e. 210 players. The only divisions in which we did not have representation was Senior Mixed and Masters Mixed. Unfortunately, this competition was postponed in December and then ultimately the new dates were cancelled due to continual wet weather in Port Macquarie.

In junior representative news, we had nearly 500 local children trialing for positions in our Junior State Cup representative teams. In the end we entered 10 teams or 140 players plus a 40-person strong support crew (coaches, managers, etc). Manly Touch also had Development Teams for U10s to U14s age groups which participated in various gala days with enormous success. Unfortunately, once again due to wet weather the Junior State Cup was cancelled.

As part of our Junior State Cup program, it was great to see some of our Premier League and Division 1 players be appointed as Assistant Coaches for our Junior State Cup teams. We now have eight players involved in coaching junior representative teams. These junior coaches are being mentored by our senior coaches.

During the lead up to Junior State Cup Manly Touch supported several Affiliate Gala Day events. The first event was the inaugural Battle of the Beaches (against the Northern Beaches Renegades) in which Manly Touch won 6 of the 8 age divisions. A big thank you to Jim and Georgia Randall and Heath Cooper for their efforts in getting the event off the ground. It was a fabulous afternoon of touch footy and a great showcase of the local talent we have on the beaches.

The following weekend we attended the Christmas Clash hosted by Sharks Touch Football in which we also won the Club Championship. Other Gala Days we attended included Penrith, Bankstown, and Scorpions.

A big thanks to our Premier League teams who conducted a Junior player development program in October for over 100 kids. This is a great way for our high-performance players to give back to our touch community at the social level and a chance for our local junior members to learn from the very best players in our game.

## Community Engagement

Sponsorships are invaluable for not-for-profit community sports. I would like to thank all our commercial partners; we would not be able to achieve the financial success, participation goals and player levy subsidies without their continued support:

- Harbord Diggers – Platinum Partner
- Motus Health & Performance – Gold Partner
- James Haywood and team from Cunninghams – Gold Partner
- Kinetic Sports Science – Silver Partner
- Aussie Gems
- Citywide Lending
- Guzman y Gomez Manly, Dee Why and Frenchs Forest

During the period Manly Touch was pleased to announce Motus Health & Performance as our high-performance managers. The value of this sponsorship is approximately \$40,000 per year which is made up of a cash contribution and provides support services such as the physical preparation, onsite event physiotherapy needs and athlete recovery/rehabilitation for our elite level players over the next two years. I would like to thank Emma Williams and her team for making this happen and their amazing support of Manly Touch.

At the end of the period, we were fortunate to secure a local competition touch football sponsorship deal with Aussie Gems. Alongside Steve Menzies' City Wide Lending, we have now raised \$10,000 in sponsorship for branding of our local competition touch footballs.

During the period Manly Touch announced that Gotcha4Life has joined our Club as our Community Partner. Gotcha4Life is an Australian mental fitness not-for-profit foundation taking action to engage, educate and empower to end suicide.

Manly Touch continues to use our website as a valuable resource tool for members.

Manly Touch has increased its interaction and profile across all social media platforms during the period. We now have more than 3,500 Facebook followers and well over 2,000 Instagram followers.

## Facilities

Manly Touch continued its great relationship with Northern Beaches Council. In the past 12 months we have seen several improvements made at Nolan Reserve. All of these have had a positive impact for our members, the broader community, and our environment. In the next period we hope to see the complete rekeying of the Clubhouse and a roller door for easy access to our storeroom.

During the Junior Competition Manly Touch continued to use the new amenities facility at the southern end of Nolan Reserve as our base of operations. This enables us to serve our members better than ever as it is more centrally located at Nolan Reserve with quick and easy access to Passmore Reserve.

Manly Touch have continued to work closely with the Manly Christian Brothers Junior Rugby League Club (Manly Brothers) and co-shares the clubhouse. The Licence Agreement between these two sports associations is working very well and enables Manly Touch to have a 50% share of their clubhouse with full access during the summer months.

In the previous period Manly Touch were awarded a grant from the NSW Government to purchase a golf buggy to assist with any first aid emergencies given the size of our competition at Nolan Reserve and Passmore Reserve. This has been purchased and we are now waiting on Northern Beaches Council to find us a suitable storage facility. We expect a resolution to this in the following period.

Installation of ground lighting for Passmore Reserve which had been flagged in the NBC Sports Ground Strategy for installation in 2020/21 did not eventuate nor did it in the 2021/22 period, however DA approval has been granted and should be installed over the next 12 months. The installation of lights gives Manly Touch the potential for an additional 60 teams to take part in our junior competition which equates to around 600 northern beaches children given the opportunity to play touch football.

## Technical Development

Manly Touch ran a Level 1 referee course for its referees, plus a Level 2 and a Level 3 accreditation program, in conjunction with Sydney Scorpions, for local referees. In the past year, fifty members completed their Level 1 referee course, five of our referees were upgraded to a Level 2, two referees received an upgrade to Level 3 and one referee was awarded their Level 4.

To improve the quality of play we implemented a minimum 2 referees per game policy for our Senior Competitions.

Where possible Manly Touch provided a Referee Mentor to watch over and provide feedback to emerging referees, whether this is for our Senior or Junior Competitions.

Manly Touch utilised the various Junior State Cup Gala Days we attended as development opportunities for our up-and-coming Level 1 and Level 2 referees with associated mentors to watch and guide our referees.

In great news, Manly Touch had more referees than required by NSWTA for the 2022 Junior State Cup Northern Conference and these were offered to other affiliates that did not have enough referees.

Unfortunately, some referees have not been able to receive their upgrade as Junior State Cup has been cancelled for the last two years.

I would just like to take this opportunity to acknowledge all our fantastic referees whether they officiate in our local competitions, gala days, or representative tournaments, we thank you for your continued support.

Manly Touch ran a 'Rules' program for our local Junior Summer competition coaches and managers to assist reduce the knowledge gap for new members to our sport.

The success of our coaching and development program can be seen in the appointment of our coaches for many State of Origin teams, plus Sydney Scorpions teams at NSWTA Junior Regionals and the National Touch League in 2022.

## Recognitions

As mentioned above Manly Touch were announced the 2020/21 NSWTA Affiliate of the Year at the NSWTA Awards. I would also like to congratulate our Manly Touch award nominees and in particular our award winners including Christian Browne – Coach of the Year; Hannah Dyball – Player of the Year; and Manly Womens Premier League – Team of Year. I would also like to congratulate our Blues Awards recipients Kate Perrett, Elizabeth Forrest, and Craig Lowe. The NSWTA Blues Awards recognise and acknowledge outstanding dedication, service, and achievement by volunteers in the sport of Touch Football.

Manly Touch were also finalists in the 2021 NSW Community Sports Awards for Community Club of the Year and our Womens Premier League Team was nominated as Community Team of the Year.

Congratulations to Caren Friend who was a finalist for 2021 Touch Football Australia Bristol Paints Australia Volunteer of the Year.

Congratulations to Craig Lowe on his Coaching role with the Māori Mixed All Stars, who played the Indigenous All Stars as the curtain raiser to the NRL All Stars match. Well done Lowie!

I would like to congratulate our 2022 Junior Club Captains Georgia Walker and Josh Turner. This award is recognition for outstanding service to the club over many years and very well deserved.

Given that the Senior State Cup did not proceed, the decision was taken not to announce Senior State Captains for 2021.

## The Last Word

At this upcoming AGM I will be tendering my resignation and stepping down as President of Manly Touch.

I have mixed emotions about this and in some parts feel quite sad because the Manly Touch Executive and Family has been a massive part of my life for the last 7 years, firstly as Treasurer and then as President, and at the same time probably internally frustrated because I feel there is still so much that I would like to do but which will be left unfinished.

At the end of the day, all I have ever wanted to do is continue the fantastic work of my predecessors; to do what is in best interests of the members and club; and make our club structurally and financially secure.

I have shared my thoughts with the Executive on what I think the new direction for the club should be as I believe it is the right time for a restructure of the organisation to move the club in a significantly new direction to take advantage of the enormous potential of the club and to ensure Manly Touch's continued and long-term success.

On the other hand, I am also extremely excited to let go and hand over to a new President who will bring energy and hopefully the time commitment required for the club.

For me personally, it is time to focus on my family post Covid (which has been tough and challenging 2½ years) which I am also excited about.

I would like to express my sincere thanks to my family and friends who have supported myself over the seven years during my tenure.

It has been a privilege and honour to hold the position as President of Manly Touch and is a very special family to be a part of. I would like to thank all the wonderful hard-working volunteers, especially our Executive Committee and Management Committee for their ongoing support, dedication, sacrifice, love, and passion for Manly Touch, not just now but over the years I have been involved with the club at this level.

I'd also like to thank all our players, coaches, managers, referees, parents, and all those who have participated and donated their time and energy to Manly Touch. We would not be able to achieve the success this club experiences without your valuable contribution.

I will always love the Manly Touch family; I always look forward to getting together and catching up with everyone whether it is my local competition teammates, junior and senior representative teams I am involved with, committee members, everyone that is associated with the club.

I am sure I will see you sometime soon.

GO MANLY!

Kalmsy

Ian Kalms  
President

It is with great pleasure that I present a summary of the 2021/22 financial year to the members of the Manly Warringah Touch Association Incorporated (MWTa).

In line with good governance the Audited Financial Statements and Auditor's Report for the Year Ended 31 March 2022 are included as Appendix 1 - MWTa Financial Report.

## **Strategic Financial Intent**

The MWTa Executive Committee's ongoing strategic financial intent is to maintain leadership in all aspects of best practice financial management to respect and deliver our Economic Mission:

*To preserve the ongoing economic viability of the organisation, while ensuring the financial accessibility of the sport of Touch Football remains.*

## **Performance Driven Financial Outcomes**

The MWTa Accounts are prepared in such a manner that each of the Junior and Senior, Summer and Winter competitions and State Cup and Vawdon Cup representative competitions can be easily analysed to ensure that each of these events 'pay their own way'.

The MWTa Executive Committee has implemented and continues to review strategies to ensure that the organisation remains in a position financially and resourcefully to respond quickly to all influences and economic pressures. The financial resilience of MWTa was evident during the period in how we dealt with the Covid-19 lockdown and unprecedented weather events which lead to the cancellation of the Senior State Cup and Junior State Cup and caused disruption to our local competitions.

## **Financial Highlights**

The results for 2021/22 reflect MWTa's operations in the reporting year, which accounts for the delivery of the sport of touch football for both recreational and representative players in the Manly Warringah region of Sydney.

	<b><u>2021/22</u></b>	<b><u>2020/21</u></b>	<b><u>2019/20</u></b>	<b><u>2018/19</u></b>
Total Income	\$535,751	\$613,488	\$715,368	\$681,426
Net Surplus (Loss)	\$21,626	\$1,070	\$164	\$33,585
Cash at Bank	\$332,599	\$335,400	\$264,213	\$243,959
Total Assets	\$396,050	\$390,438	\$304,419	\$318,032

## **Operating Result**

MWTA achieved a net surplus of \$21,626 for the financial year ended 31 March 2022. This surplus is appropriate for our local community-based sporting association and Not for Profit Organisation.

The surplus achieved for the 12-month financial period of \$21,626 is a positive result for the Club given the impact of Covid-19. During the period our junior competition was shortened in length which resulted in reduced team fees for reflect this and to assist the financial strain experienced by our members.

During the 12-month financial period our cash remained steady. This will enable us to uphold our commitment to give back to our members via investment in several programs, initiatives and capital expenditures that benefit all MWTA members in future years.

## **Analysis of Reported Results**

During the financial period the MWTA Executive Committee continued to closely monitor expenditures and investigate cost reductions.

Despite the COVID-19 lockdown in the latter part of 2021, we were fortunate that we were able to maintain participation rates in our 2021/22 local summer competitions. However with the cancellations of Vawdon Cup, Senior State Cup and Junior State Cup there have been several significant expenses which were incurred but were unrecoverable.

## **Significant Events**

MWTA has no significant liabilities. There are currently no commitments to purchase or lease equipment or property. There are also no unresolved issues that may create a liability for MWTA in the future.

## **Historical Financial Synopsis**

The Executive Committee now has the ability to compare year to year performance. This provides the Executive Committee consistency and surety in financial decision making and projections.

## **Accounting Practices**

MWTA is a NSW Tier 1 Incorporated Association and is required to have its accounts audited. The financial statements must, at a minimum, satisfy the requirements set out in Class Order No. 11/01 Financial Reporting Requirements.

The 2021/22 audit was conducted by Mr Jack McCann (BA CA CPA JP Director). Mr McCann is an ASIC registered Auditor as well as a licensed Financial Advisor and Tax Agent. I recommend that Mr McCann be appointed auditor for the 2022/23 financial year.

MWTA uses the Xero accounting software program, which is a cloud-based package that enables the MWTA Executive to review the accounts on an ongoing basis. MWTA engages a bookkeeper as and when required to assist with financial matters and advice.

## **Summary**

The MWTA Executive Committee will continue to manage member funds in a diligent and professional manner and provide such stewardship in order to promote and foster the sport of Touch Football for both recreational and representative players in the Manly Warringah area.

MWTA will once again put in place the necessary measures to ensure the organisation returns a small surplus for the 2022/23 financial period.

Hopefully we have now seen the back of any Covid-19 lockdowns. However, given the continued poor state of Nolan Reserve and Passmore Reserve, if we are subject to the predicted wet weather events in Spring 2022, this may cause disruption to our 2022/23 summer competitions. This will have some serious financial consequences for Manly Touch if we may be required to issue team levy refunds, as these competitions are our major sources of income. However, please be assured that MWTa is in a very stable and strong financial position with no foreseeable change to this.

Kind Regards

Ian Kalms  
Acting Treasurer

# JUNIOR REPRESENTATIVE DIRECTOR'S REPORT

---

Following the disappointment of the 2020/21 JSC campaign that was prematurely ended due to inclement weather in Port Macquarie, we all hoped for a 2021/22 JSC campaign that would result in maximum teams playing in our interclub gala days and the NSW Touch JSC events December '21 to February '22 inclusive.

As per our 2021/22 JSC campaign, we continued to navigate through changing COVID-19 conditions. Our JSC player trials and selection program commenced in late October, carefully coordinated with our Senior State Cup campaign, as many JSC volunteers are also involved with our SSC campaign.

Manly Touch continued to engage regularly with all levels of our membership to stay abreast of the ongoing disruption to our 'normal' scheduling and thanks to a group of incredible volunteers we completed our trials and commenced our JSC squad sessions in late October.

At this stage it had been confirmed and announced by NSW Touch that the JSC Northern Conference would not accommodate Under 8 and Development teams in Port Macquarie.

Despite this disappointing but understandable position, Manly Touch continued to develop our players, coaching officials, and referees through training sessions, interclub games, and COVID plan approved gala days. Huge thank you to so many volunteers who made that happen for all involved!!

In February 2022, our U10, U12, U14, U16, and U18 boys and girls age groups and our amazing team of volunteers, referees, and coaching officials, were disappointed to receive news that due to horrendous and torrential rain in Port Macquarie, that the Northern Conference would be cancelled. Like the prior year, this also meant that the JSC State Finals were also cancelled as the Northern Conference itself did not produce qualified State Finalists to play against their Southern Conference counterparts.

THANK YOU to our amazing group of volunteers, members, selectors, senior players, referees, administrators, and coaching officials for managing, coordinating, and supporting our 21/22 JSC program. Huge thanks to Matt Long who again captured amazing memories and pictures throughout the campaign. Special thanks to our referees across multiple gala days as well as our Referee Director Caren Friend who led our JSC referee program. Thanks to Lara Long for leading our accommodation and uniform arrangements and Kate Perrett for hours of voluntary hours supporting Active Kids, invoicing, documentation libraries, online code of conduct, and team Facebook pages (to name only a few things). Thank you everyone for the hours of expertise, sometimes pain!, and always with smiles.....

Congratulations to our outgoing U18 players of 2022. Most of you are already playing in our local competitions and representative touch in the VC and SSC, and of course to Josh and Georgia our 2022 Junior Club Captains.

Thanks

Lowie

# MANLY WARRINGAH TOUCH ASSOCIATION INCORPORATED 2021/22 FINANCIAL REPORT

**FOR THE YEAR ENDED 31 MARCH 2022**

**ABN: 70 891 496 556**

**INC: Y2614038**

## Executive Committee's Report

Your Executive Committee members submit the financial report of Manly Warringah Touch Association Incorporated (MWTa) for the financial year ended 31 March 2022.

### Executive Committee Members

The names of the Executive Committee members throughout the year and at the date of this report are:

Ian Kalms	President (also Acting Treasurer)
Graham Knights	Vice President
Kate Perrett	Vice President
Sarah Peattie	Secretary

### Principal Activities

The principal activity of MWTa during the financial year to 31 March 2022 was the administration of touch football in the Manly Warringah region of Sydney, NSW.

### Significant Changes

There were no significant changes in the state of affairs of MWTa during the financial year.

### Subsequent Events

MWTa is in a very stable and strong financial position with no foreseeable change to this. However, the 2022 Winter Competition was cancelled due to the unplayable nature of Nolan Reserve. If the wet weather that is predicted for Spring 2022 eventuates and we are unable to conduct our 2022/23 summer competitions with the same format and associated revenue as previous years, this will have some serious financial consequences for MWTa as these competitions are the major sources of income for the club.

There are no other matters or circumstances that have arisen since the end of the financial year which significantly affected or may significantly affect the operations of MWTa, the results of those operations, or the state of affairs of the MWTa in future financial years.

## **Operating Result**

The operating surplus for 2021/22 amounted to \$21,626 (2020/21: \$1,070 operating surplus).

The Executive Committee commends to members, stakeholders and interested parties the reported operating result and the supporting Financial Report for the financial year ended 31 March 2022.

Signed in accordance with a resolution of the Members of the MWTa Executive Committee.

**Ian Kalms, President**

**Kate Perrett, Vice President**

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF  
MANLY WARRINGAH TOUCH ASSOCIATION INCORPORATED  
ABN 70 891 496 556  
YEAR ENDED 31 MARCH 2022**

**Report on the Financial Report**

I have audited the accompanying financial report of Manly Warringah Touch Association Incorporated (the Association) which comprises the Statement of Financial Position as at 31 March 2022, and the Statement of Financial Performance for the twelve months ended on that date, a summary of significant accounting policies and other explanatory notes and the statement by members of the committee.

**Committee's Responsibility for the Financial Report**

The committee of the Association is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian accounting Interpretations), the Associations Incorporation Act 2009 and the Australian Charities and Not-for profits Commissions Act 2012. This responsibility includes designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

**Auditors Responsibility**

My responsibility is to express my opinion on the financial report based on my audit. I have conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagement and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditors' judgment, including the assessment of the risk of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

## Independence

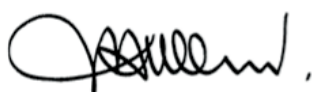

In conducting my audit, I have complied with the independence requirements of Australian professional ethical pronouncements.

## Auditor's Opinion

In my opinion:

The financial report of the Warringah Touch Association Incorporated is in accordance with the Associations Incorporation Act 2009 and the Australian Charities and Not-for profits Commissions Act 2012 including:

- (i) giving a true and fair view of the Association's financial position as at 31 March 2022 and of its performance for the twelve months ended on that date, and
- (ii) complying with the Australian Accounting Standards (including the Australian Accounting Interpretations) and the Associations Incorporation Act 2009; and
- (iii) that the accounting and associated records have been properly kept during the year in accordance with the Australian Charities and Not-for profits Commissions Act 2012 and the regulations; and
- (iv) at the date of this report there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

# Notes To And Forming Part Of The Financial Statements

## For the 12 Months Ended 31 March 2022

---

### 1. STATEMENT OF ACCOUNTING POLICIES

#### (a) Basis of Accounting

These financial statements are a special purpose financial report prepared for use by the Executive Committee and members of the Association. The Executive Committee has determined that the Association is not a reporting entity. The financial statements have been prepared in accordance with the requirements of the following applicable Accounting Standards and other mandatory professional reporting requirements:

- AASB 101: Presentation of Financial Statements
- AASB 110: Events after the Balance Sheet Date
- AASB 1031: Materiality
- AASB 1048: Interpretation of Standards
- AASB 1054: Australian Additional Disclosures

No other applicable Accounting Standards or mandatory professional reporting requirements have been applied.

The statements have been prepared on an accruals basis using historical costs.

The following specific accounting policies, which are consistent with the prior year unless otherwise stated, have been adopted in preparing these financial statements:

#### (b) Assets and Equipment

Assets and equipment are included at cost. All assets are depreciated at a rate estimated to write off the cost of those assets over their estimated useful life. This year some assets have been expensed that had reached their useful life.

#### (d) Income Tax

No provision has been made for income tax as the association is a non-profit sporting organisation that is exempt from income tax.

#### (f) Events after the Balance Sheet Date

No events have occurred after the Balance Sheet Date which require adjustment to the financial statements.
