IMPORTANT STEP - PLAYING SINGLET

If you are a new player in 2023 and therefore do not have a playing singlet from 2022, or you are an existing player but require a new singlet for 2023, you must order/purchase a playing singlet at this next step.

Select the singlet **SIZE** required from the drop down, then select the **+** icon to add the number of singlets required. If you do not require a singlet leave this as 0.

The Touch Football Australia (TFA) National Membership fee is automatically loaded to this page as this is required to be paid by all players in the first competition they play each year (TFA year runs from July - June).

Once you have completed the singlet requirements, select **ADD ITEMS**:
